In order to receive official approval, your application will need to be reviewed by our Planning & Zoning Administrator. Application fees vary with regard to the type & size of the project.

WE HAVE ORDINANCES

The City of Freeman has ordinances in place for the safety of our residents, guests, & businesses.

Ordinances specify expectations about building permits, sidewalks, parking of vehicles on city streets, tree limbs, garbage containers, alcohol, zoning, pets, fireworks, & more.

Familiarity with ordinances helps to ensure that you’re in compliance for a variety of situations that impact our Freeman residents & businesses.
